DECEMBER 2020

Help Us Bring Hope This Holiday Season

This year has been a difficult year for many. Fear, doubt, emptiness, loneliness, and isolation lead to loss of hope which can greatly affect one's health and wellbeing. The Shepherd's Center of Kernersville is here to bring hope and to help those in need in our community. During the holiday season let us connect with one another. Check in on a neighbor, call an old friend, and support your local ministries by volunteering or helping others, such as The Shepherd's Center of Kernersville, Inc.

Thank you for your continual support of The Shepherd's Center of Kernersville and Senior Enrichment Center. Whether it is \$1.00 or \$1,000.00 or a gift of your time and service, your gift to The Shepherd's Center of Kernersville will help strengthen our community by enabling us to bring programs and services to help those who are aging and adults with disabilities age in place.

This year more than ever, let us all be thankful for all we have and not take anything for granted. Stay positive, encourage one another, and enjoy every moment!

If you are making masks and would like to donate some to us for volunteers, participants, recipients, or staff, we will gladly welcome your donation.

Senior Center Guidelines for Participation

The Senior Center has developed a plan that includes new policies and procedures for activities, programs, and volunteering per recommended guidelines of the Center for Disease Control and Prevention, the North Carolina Department of Aging and Adult Services, and the Town of Kernersville. The Center is open 4 days a week (see page 2 for closure schedule) from 8:00 am – 4:00 pm. The Center is open to regular participants for specific scheduled programming with limitations and restrictions. Time frames and implementation of programs will be evaluated and could change based on announcements from State and local authorities. Although different from what we have done in the past, these limitations and restrictions are necessary and will be implemented to help prevent the spread of COVID-19.

The following guidelines will remain in effect until further notice:

- Participants who are age 65 or older, or have serious underlying health conditions, are encouraged to talk to their healthcare provider to assess their risk and to determine if they should stay home or if they may participate in Senior Center activities.
- **Pre-registration is required for ALL activities; All persons arriving to participate in ANY activity MUST be registered in advance. If a person has not registered in advance, they will not be allowed to attend. Regular participants will be permitted to use the facility only during their scheduled program time. Participants must speak with Senior Center staff or senior center office volunteer to register.**
- Drop-in visitors will not be permitted at this time. All visitors to the facility must make an appointment with a staff member.
- There will be minimal programming with no luncheons, special events, social group meetings/gathering, or trips.
- All activities will have a limited number of seats. No large group events or meetings will be held until further notice (this includes rentals).
- **All participants must sign a liability waiver prior to attending their first program.** This is required for participation in any program, service, or activity of The Shepherd's Center of Kernersville or Senior Enrichment Center as either a participant, recipient, instructor, or volunteer. **[Click here for the link.](#)**
- Before entering our building, all persons (patrons, volunteers, instructors, vendors, and staff) must submit to the **health screening and temperature check**. Anyone with a temperature of **100.4** or higher will not be permitted.
- **All persons will be required to wear a face covering while in either the Senior Center or Shepherd's Center facility.**
- **A minimum personal physical distance of 6 feet must always be maintained.**
- Participants **may arrive 15 minutes prior to the start of the activity** for which they have registered. All participants will be expected to leave the building when the activity is over. This is to control the number of people in the building and to mitigate the potential spread of germs and COVID-19. Our facility will be unlocked to admit participants for a program, locked once participants have arrived, and after the program has ended. (All entrance and exit doors meet fire code standards and can be easily opened from the inside.)
- **Participants may bring their own beverage or snack to consume on premises. Absolutely no food or beverage may be brought to share with others.**
- The **water fountain is off limits for personal use**, but the water bottle filling feature may be used to fill water bottles or travel mugs.
- The kitchen and equipment (including refrigerator/freezer/microwave, ice machine, etc.) are off limits.
- All reading material, puzzles, cards, board games, billiards, or anything used by multiple people will not be available for use on-site until further notice. You may however check out puzzles from our puzzle library.
- **Visitors, volunteers, and participants are not allowed in staff offices.**
- If a participant is diagnosed with or exposed to COVID-19, please contact Senior Center staff as soon as possible.

Senior Center Program Reimplementation

Senior Center activities are slowly and methodically being implemented in stages. This schedule has been developed to meet State mandates regarding numbers allowed for each gathering, social distancing, and staff time to clean before and after each activity. Activities and events will be limited to current regular participants at this time. New participants will be allowed to attend in later stages. Stages will be fluid and adjustable as we move through the pandemic, and the mandates and phases set by the State of North Carolina and local governing bodies.

December Programming will be as follows (please note all programs require pre-registration or RSVP to attend, all meeting days, and times are subject to change):

Deciding to Go Out

What You Need to Know From the CDC

Enjoy Holiday activities and take steps to protect yourself from getting or spreading COVID-19. In general, the more closely you interact with others and the longer the interaction, the higher the risk of COVID-19 spread. If you decide to engage in public activities, continue to protect yourself by **practicing everyday preventive actions**.

Keep these items on hand when venturing out: a mask, tissues, and a hand sanitizer with at least 60% alcohol, if possible.

Seeking Selfies!

We are working on a special piece for our February Newsletter showcasing the many faces of the Senior Center. Please take a selfie or have someone take a photo of you and e-mail it to **lisa@shepctrkville.com** or **debbie@shepctrkville.com**. We want to see your smiling faces or your masked faces! By e-mailing your selfie you are giving us permission to use it in our next newsletter. ***Photos must be received no later than Thursday, January 14, 2021.***

Jigsaw Puzzle Library Available

Take home a borrowed jigsaw puzzle. Choose from a variety of puzzle options with different sizes and number of pieces. Puzzles that are returned, are kept in storage for 7 days before being returned to our library shelves. **Call 336-992-3180 to pick up puzzles at the Senior Center.**
